

Are you getting the most out
of your valuable assets?

HRASSESSMENT

Our solutions begin with the HR Assessment tool to identify:

- **Areas of regulatory non-compliance**
- **Practices or initiatives that threaten profitability**
- **Issues impacting talent attraction and retention**
- **Immediate and potential risks**

ANALYZE

- Comprehensive assessment of functional areas
- Analysis of current HR tactics

OPTIMIZE

- Realignment to strategic intent and positioning
- Documenting an actionable improvement plan

EMPHASIZE

- Where time & money is being spent now
- How well current tactics support Vision

HRBoost offers a full range of human resources services on both a consulting and outsourced basis.

"I am very impressed with the quality and thoroughness of the assessment report as it highlighted what we can do better with our HR tactics."

– Ari Shabat • COO, Pharmore Drugs

Businesses with fewer than 20 employees pay 60% higher compliance costs.

– U.S. Small Business Administration

Employee administration is estimated to consume 25-35% of a business owner's time.

– U.S. Chamber of Commerce
